The Finest in Woodtone Garage Doors

At C.H.I. Overhead Doors, we believe garage doors should demonstrate both durability and class. Our Accents Woodtones garage doors are meticulously designed and manufactured using full color digital imaging and insulated steel to create the highest quality, most realistic woodtone doors available. Utilizing groundbreaking advances in design and technology, each Accents Woodtones garage door is as colorful and authentic as real wood.

Perfecting the art of nature.

Every board, right down to the last detail, has been skillfully captured, then built, to create a non-repeating woodgrain pattern that reflects the true appeal of a real wood garage door that never fails to impress.

TIMELESS COLLECTION | RAISED PANEL

Long Raised Panel shown in optional accents woodtones walnut with optional prairie window inserts and plain glass.

Raise the Standard

Add depth to your garage door with C.H.I.'s raised panel design, available in both short and long panel options. The raised panels start with a recessed edge, but the interior surface of each panel is brought slightly forward, adding just a hint of definition to a classic garage door design.

COMPLIANCE WITH THE DASMA THERMAL PERFORMANCE PROGRAM
The DASMA Thermal Performance Verification (TPV) Program certifies and verifies the thermal performance ratings of sectional door products using third-party testing and inspection. The U-factor testing standard for garage doors, ANSI/DASMA 105, provides repeatable and reproducible results. U-factor tests an installed assembly to assign a value that accounts for section joints and perimeter seal.

Models in this program will be identified by this icon 

Personalizing Options Not all options shown are available with every style.

We offer a variety of personalizing options to help your home stand out in your neighborhood. After choosing a door style and woodtone, add designer glass, window inserts, or hardware to dramatically change the overall look of your door and add to your home's appeal.

For all options, see Residential Product Guide.
